Deputy Chief, Administrative Staff, ODP

SUBJECT : Preparation of Security Classification
Guides in Compliance with Executive
Order 12065

REFERENCE : Your Memo, Same Subject, dtd 6 September 1978

1. (U) Subsequent to our 8 September 1978 discussion we have further reviewed ODP's requirements and with one exception the draft guide meets our classification requirements.

2. (S) The one exception relates to computer security which should be addressed by ISSG/OS. We consider it essential that the following subparagraph be included in the Agency Classification Guide under paragraph 1-301(c): Intelligence Activities, Sources and Methods.

"Information that could reveal, jeopardize, or compromise data processing access procedures and controls or data accessed by such a procedure or system, or proposed for use, to access data processing systems"

classified for a minimum of six years.
